

REMARKS

Claims 4 and 6 of the present patent application have been rejected under 35 U.S.C. §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicants regard as the invention. All other claims have been allowed.

It is believed that with the foregoing amendments to claims 4 and 6, the application is in condition for allowance. If the Examiner does not agree, it is respectfully requested that he telephone the undersigned to work out mutually acceptable language. The allowance of claims 1 – 3, 5, 7 and 8 is noted with appreciation.

Respectfully submitted,

EMCH, SCHAFFER, SCHAUB  
& PORCELLO CO., L.P.A.
